GROUND ZERO GROUP COMMUNICATION

MANAGEMENT AND GROUP ATTENEEES BENIFIT EQUALLY BY THIS DAY OF INTERACTIVE COMMUNICATION TOOLS

This one day SEMINAR may be presented to the Group as a whole or split into alternate seminars for management first day and group attendee's the second day. Additional Seminars available.

Each individual arrives with their own experiences in this day. During our lifetimes we are met with challenges, accomplishments, experiences, happiness and emotional pain. Unfortunately as human beings, growing up does not always encompass having learnt clear communication skills or the ability to separate our personal lives from our lives which interact with others on a day to day basis.

Group Leaders and management are expected to facilitate events which often are beyond their scope of training. With a mixture of illnesses, communication gaps /breakdowns in addition to the growing number of individuals self managing depression or other related health issues. This one day Seminar is designed to meet your groups needs. Providing both management and attendee's with interactive communication tools for the entire group to be better equipped to deal with events and minimize unnecessary conflicts.

This one day is a life changing experience; no attendee leaves untouched in a positive way. Sandi Verley believes in awareness, education and accountability breed clearer communication. Your consultant guarantees each participant will gain tools to enhance their ability to adorn a healthier self esteem,

Whether your group is small or large your consultant will provide participants with information and tools unseen or experienced in previous seminars.
