SEMINAR

GROUND ZERO CORPORATE COMMUNICATION

BOTH MANAGEMENT AND EMPLOYEES BENEFIT EQUALLY BY THIS DAY OF INTERACTIVE COMMUNICATION TOOLS

This one day **SEMINAR** may be presented to the corporate employee's as a whole or split into alternate one day seminars for management first day and workers the second day.

Each individual arrives with their own experiences in this day. During our lifetimes we are met with challenges, accomplishments, experiences, happiness and emotional pain. Unfortunately as human beings, growing up does not always encompass having learnt clear communication skills or the ability to separate our personal lives from our professional lives.

Corporate management are expected to meet monthly quotas / projections, which often can be delayed due to internal issues between staff. With a mixture of illnesses, communication gaps /breakdowns in addition to the growing number of individuals self managing depression; management are all too often faced with various responsibilities outside professional tasks with expectations from Head Office to somehow manage. Providing both management and workers with interactive communication tools allows for the entire team to be better equipped to deal with events and minimize unnecessary conflicts.

This one day is a life changing experience; no attendee leaves untouched in a positive way. Sandi Verley believes in awareness, education and accountability breed clearer communication. Your consultant guarantees each participant will gain tools to enhance their ability to adorn a healthier self esteem,

Whether your team is small or large your consultant will provide participants with information and tools unseen or experienced in previous seminars.

All attendees are required to sign a waiver and agree to participate in the full day without interruption from their personal or professional lives.
